Historial de cambios de un archivo README

The screenshot displays the GitHub interface for a repository named '21maau / Laboratorios 0'. The 'Commits' tab is selected, showing a list of commits for the 'main' branch. The commits are ordered chronologically, with the most recent at the top. Each commit entry includes the commit message, the user '21maau', the time since the commit, the commit hash, and a link to view the commit details.
